Eligible to work in Nigeria • Open to remote international opportunities and relocation

PROFESSIONAL SUMMARY

Customer Support Representative with 8+ years of experience delivering phone and email support, resolving tickets efficiently, and entering high-volume data with speed and accuracy in the telecom sector. Skilled at troubleshooting customer issues, reducing resolution time, and cutting the number of touchpoints needed to resolve a case. Comfortable working across CRM/ticketing systems and MS Office, importing and maintaining accurate records, and building customer trust and loyalty through dependable, efficient service.

CORE SKILLS

Customer Support • Phone & Email Support • Ticket Resolution & Troubleshooting • Data Entry (Speed & Accuracy) • Customer Experience • Written & Verbal Communication • CRM & Ticketing Systems • Resolution Time Reduction • Process Improvement • Cross-Functional Collaboration • Problem Resolution • Inbound/Outbound Communication • Order & Account Documentation

TOOLS & TECH

CRM & Ticketing Systems • Windows 10 OS • MS Office Suite (Word, Excel, Outlook) • Data Import & Entry Software • Video Conferencing (Zoom, Teams) • Remote Collaboration Tools (Slack, Async Messaging)

KEY ACHIEVEMENTS

- Built an 8+ year track record at one telecom employer, advancing through six progressively responsible support roles.
- Promoted into two team-lead roles (HOTSPOT and ExpressWiFi by Facebook), overseeing staff training and service quality.
- Recognized for fast, accurate data entry and dependable ticket resolution across a high volume of daily customer contacts.
- Maintained a strong record of speed and accuracy in remote, deadline-driven data work, most recently with TELUS Digital.

EXPERIENCE

Business Development Account Officer — Tizeti Network Limited (09/2022 – 09/2024)

- Resolved customer account issues via phone and email, entering order details into CRM systems with high speed and accuracy.
- Reduced resolution time by diagnosing account issues quickly and coordinating with technical teams on fixes.

Lead, HOTSPOT by Tizeti — Tizeti Network Limited (01/2022 – 09/2022)

- Handled phone and email support for HOTSPOT customers as team lead, entering account data with speed and accuracy.
- Trained staff on phone/email support standards and accurate data entry, lifting overall team performance.

Lead, ExpressWiFi by Facebook — Tizeti Network Limited (01/2021 – 01/2022)

- Answered customer calls and emails for the ExpressWiFi line, entering account data accurately into CRM systems.
- Diagnosed and resolved customer complaints efficiently by phone and email, reducing touchpoints needed per case.

Customer Support — Tizeti Network Limited (01/2019 – 01/2021)

- Answered inbound calls and email tickets, troubleshooting issues and entering orders with speed and accuracy.
- Decreased repeat contact by resolving billing and account issues in a single interaction whenever possible.

Social Media Operator — Tizeti Network Limited (01/2017 – 01/2018)

- Resolved customer inquiries efficiently across social media and email channels, supporting brand loyalty and trust.

Customer Support (NYSC) — Tizeti Network Limited (01/2016 – 12/2017)

- Answered high-volume inbound calls and support requests, entering data into internal systems quickly and accurately.

Freelance Image Annotation Specialist — TELUS Digital (Independent Contractor) (2024 – Present)

- Entered and reviewed high volumes of data for AI model training with speed and accuracy, working independently under deadlines.
